

HireMate – Launch Strategy Document

Name: Deepika Seshaiiah

1. Executive Summary

HireMate is an **AI-powered online mock interview platform** designed to help job seekers prepare effectively for interviews through:

- **AI-generated, role-specific questions** tailored to the industry and job profile.
- **Personalized, actionable feedback** to improve technical, communication, and soft skills.
- **Industry benchmarking** so candidates can measure themselves against peers and top performers.

Target Audience

- **Fresh Graduates** — Entering the job market for the first time, highly motivated but price-sensitive.
- **Lateral Job Seekers** — Working professionals seeking a role change or promotion.
- **MBA/Professional Aspirants** — Preparing for competitive interviews in consulting, product management, and finance.

6-Month Vision

- **Goal:** Onboard **10,000 users**.
- **Approach:** Competitive pricing, referral-driven growth, and targeted marketing.
- **Value Proposition:** *"Get interview-ready faster with 24/7 AI-powered mock interviews tailored to your dream role."*

2. Pricing Strategy

Target Audience & Willingness to Pay

Segment	Characteristics	Pricing Sensitivity
Fresh Graduates	High motivation, low budget, minimal interview experience.	High
Lateral Job Seekers	Value convenience and skill upgrades.	Medium
MBA/Professional Aspirants	Competitive role targeting, willing to pay for premium help.	Low

Pricing Model – Freemium with Subscription Tiers

Why Freemium?

It removes adoption barriers, allows users to test the value, and encourages upgrades for advanced features.
